FastForms Web Replaces VirtualCD

FastForms Web is replacing the VirtualCD as the source for all your AIG Life Brokerage form needs!

- 1) You must access FastForms Web through the AIG Life Brokerage website: www.americangeneral.com/brokerage
- 2) You will need a User ID and Password in order to "Login" into the agent's section of the web site. You can use your APEX User ID and Password. You can obtain these by going to www.americangeneral.com/brokerage and clicking on Request ID & Password. Usually, you will have the ID and Password provided to you within 24 hours.
- 3) Once you have your User ID and Password, go to the web site and login.
- 4) At the home page of the agent's section, click on the "supplies" tab in the top gray bar.
- 5) On the supplies page, you will see the FastForms Web logo, click on it.
- 6) You are now in the FastForms web site.
- 7) FastForms Web provides a very user-friendly search capability. You may search for forms by product, form number, form name and form description.
- 8) Once you find the form or forms you are looking for, you may print them out on your printer or place an order with our supply vendor. Some forms are "electronic only" and are not available from the warehouse. Forms that have a shopping cart icon next to the form number can be ordered from the warehouse. Forms that do not have a shopping cart icon are available for download to your desktop printer only.
- 9) To order forms available through the supply vendor, you check the box to the far right-side of the form number and then click on the shopping cart icon in that line. Once you have completed your list, the program will take you to the "shipping information" section for address and contact information.
- 10) Your AIG Life Brokerage agent code number should already be inputted on the order form by the system.
- 11) AIG Life Brokerage pays all ground shipping charges on all orders. You pay for all express shipping charges. If you desire express shipping for your order, then you must provide your shipper name and account number.
- 12) If you have additional questions concerning the FastForms Web system, please contact Marketing Support at 1-800-659-5920, prompt 4.
